The Mary Leishman Foundation

In conjunction with the Young Pars Supporters Club

The Mary Leishman Foundation is a charitable trust that has been set up by Jim Leishman, family and friends to fund deserving causes that Mary cared passionately about. All proceeds will go to helping people with debilitating illnesses and also to nurture our top young talent to help them achieve their true potential.

CHRISTINE SCOTT is participating in a Charity Walk for the Mary Leishman Foundation and the Young Pars walking around the Fife Coastal Path from the Tay Bridge to Crail (a total of 30 miles), on Wednesday 17th and Thursday 18th June 2009. Please support this wonderful cause by sponsoring me. Thank you for your support.
